

License Agreement

- ▶ Customer must have in place a valid and signed License Agreement with REELEX Packaging Solutions, Inc. before any REELEX equipment is shipped to customer.

Payment and Sales Terms

- ▶ Normal Payment Terms are one-third at time of order, one-third at time of shipment, and balance 30 days after commissioning.
- ▶ Equipment prices are EXW, Patterson, NY, USA unless otherwise negotiated.

Lead Time

- ▶ The quoted lead time is accurate at the time of quotation but may change by the time an order is entered.
- ▶ All machines are manufactured on a first-come, first-served basis.
- ▶ Lead time commences when Purchase Order is provided by customer.
- ▶ A scheduled ship date will be provided at time of order.

Commissioning

- ▶ Purchase price of REELEX coiling machines includes the commissioning services of our technicians. Customer is responsible for all travel expenses.
- ▶ REELEX technicians are available to commission non-REELEX equipment at standard service rates plus travel expenses.

Warranty

- ▶ All new and refurbished equipment is covered by a complete one year warranty.
- ▶ After one year, customer is responsible for parts and maintenance at REELEX' standard rates.

Used Equipment

- ▶ Used equipment is refurbished prior to shipment and is warranted for one full year, the same as new equipment.
- ▶ Used equipment color is "as is", unless customer agrees to additional painting charges and lead time.
- ▶ Used equipment is quoted as available subject to prior sale.

Shipping and Crating Charges

- ▶ REELEX recommends shipment via air-ride truck to destinations within the continental USA.
- ▶ If customer chooses to ship common carrier within the continental USA, the equipment will need to be crated. Crating charges will apply.
- ▶ All equipment shipped outside the continental USA requires crating. Crating charges will apply as follows:
